### Dear Educators,

You are invited to join your colleagues from across the country to an Economics Educator Workshop, featuring a unique opportunity to learn from Ben S. Bernanke, Chairman of the Board of Governors of the Federal Reserve System.

During the workshop, we will look at the current economy, the role of monetary policy, hot topics, and fresh new ways to bring economics into your classroom.

During the “Conversation with the Chairman,” Bernanke will address teachers nationwide via videoconference. In addition, the chairman will take questions from educators in the audience at the 12 Federal Reserve Banks.

We hope you can join us.

*Sincerely,*

*Your Federal Reserve Bank of Chicago  
 Economic Education Staff*
